Hi. It will be Tedd Cittadine (VP of content distribution) and Jim Lamoureaux (VP of regulatory affairs).

Would it be possible to push our start time to 12:15 instead of 12?

Hi. Roku is available on Friday between 12-3. Does that window of time work?
Separately, Yelp would like to arrange a meeting to discuss some economic work it has been doing. Would Friday work for that as well?
Best,
Jonathan

Subject: Roku
Hi Jonathan:

We would like to set up a call with Roku to discuss their products and markets; particularly OTT video ad sales. Previously you indicated that you represent them. Can you let us know if that is the case and, if so, whether they are available for a call next week?

Best,

Richard
